The Reformers and Puritans as Spiritual Mentors: Hope Is Kindled *Everyday Prayer with the Reformers*

“Historian Michael Haykin examines the lives of such Reformers as William Tyndale, Thomas Cranmer and John Calvin to see how their display of the light of the gospel in their day provides us with a "usable past"-models of Christian conviction and living who can speak into our lives today. Born in a time of spiritual darkness, they model what reformation involves for church and culture: a deep commitment to God's Word as the vehicle of renewal, a willingness to die for the gospel and a rock-solid commitment to the triune God. As a reminder that at the heart of the Reformation was a confessional Christianity, an essay on two Reformation confessions is also included.”

“When God's children pray, we talk to a God familiar with the requests, praise, and longings of generations of his people. We have much to learn from those who went before us. In this devotional, Donald McKim takes us back to the wisdom of more than thirty Protestant Reformers.”

Gentle and Lowly by Dane Ortlund

Through a generous effort of Crossway publishers, we have free copies of *Gentle and Lowly* available on the back table. Michael Reeves wrote of this book, "Dane Ortlund lifts our eyes to see Christ's compassion-filled heart for sinners and sufferers, proving that Jesus is no reluctant savior but one who delights in showing his mercy. For any feeling bruised, weary, or empty, this is the balm for you."
