*Right Now Counts Forever*

*Everyday Prayer with the Reformers*

Historian There is no such thing as a meaningless moment. Since we're made in God's image and created for His eternal glory, everything we think, say, and do today matters forever. The question is, How should this truth direct our daily lives?

"When God's children pray, we talk to a God familiar with the requests, praise, and longings of generations of his people. We have much to learn from those who went before us. In this devotional, Donald McKim takes us back to the wisdom of more than thirty Protestant Reformers."

For more than forty years, Dr. R.C. Sproul wrote his recurring column in *Tabletalk* magazine, *Right Now Counts Forever*, to apply the teachings of the Bible and Reformed theology to everyday life. No topic was off-limits because every part of our lives bears enduring significance. Through the years, Dr. Sproul helped Christians give careful thought to topics in theology and history, politics and current events, relationships and entertainment, and more.
